- You're adept at anticipating and interpreting client needs, and you provide support that results in exceptional experiences
- You take initiative, seeking out and owning opportunities to improve yourself, your team, and our business
- You take pride in finding creative and meaningful solutions to client challenges
- You're comfortable in a fast-paced environment, maintaining a keen attention to detail even when under pressure
- You thrive in a collaborative environment, sharing your knowledge with your colleagues, and celebrating your successes as a team
- You're a life-long learner, staying current on market events, industry news, and innovative trends and technologies
- You believe that all Canadians should have access to sustainable financial strength, and you're committed to long-term wealth solutions
- You consider the impact of your actions on your team members, our partners, our clients, and the places where we live and work

### What your day looks like:

- On a daily basis you will be responsible for:
- Conducting daily, monthly and quarterly trade/supervision reviews in accordance with IIROC & MFDA Tier 2 regulations
- Maintaining evidence and following-up of items identified
- Tracking outstanding items and ensuring issues are escalated for trade surveillance
- Identifying actual and potential violations of regulatory requirements, internal policies and procedures or other risk situations and taking steps to investigate and resolve issue
- Recommending corrective measures and escalate as required
- Providing compliance support and guidance to internal partners
- Assisting with regulatory (and internal) inquiries, investigations and audits
- Targeted advisor and client reviews as directed
- Assisting the AML team as needed relating to unusual and/or suspicious activity
- Maintaining knowledge of internal and regulatory requirements by participating in industry and internal seminars, presentations and courses
- Participate in the development/enhancement of policies, procedures and programs

### Your experience and skills:

- Completion of CSC & CPH
- Completion of IFIC/IFSE/Mutual Fund/ Branch Managers/Options Courses will be considered an asset
- Minimum of 3 years work experience in the investment industry or equivalent education
- Experience in compliance role with an investment dealer or mutual fund dealer
- Experience with Univeris and Dataphile systems

# Credential

- Excellent communication skills, both written and verbal (effective, influence, accurate, clear and concise)
- Extremely detail oriented, with strong organizational, time management, prioritization, problem solving and analytical skills.
- Demonstrated ability to use sound judgment/analysis specifically with regards to securities regulations and understanding business needs of investment dealer.
- Ability to work in a team and independently, with minimal supervision, and a high degree of personal initiative.
- Solid computer skills, specifically with MS Office suite (outlook, word, excel, etc.)
- Ability to deal with stressful situations in a diplomatic fashion and meet short deadlines.
