

**Jack Rando, MBA CFA  
Managing Director**

Jack Rando is Managing Director at the Investment Industry Association of Canada (IIAC). His areas of expertise include tracking industry performance, trends and developments, capital market analysis, and policy formation. Jack advocates on behalf of the investment industry to federal and provincial governments, securities commissions and other industry participants.

He is also a frequent media spokesperson on a variety of issues relating to Canadian capital markets.

Prior to the IIAC becoming a separate entity from the Investment Dealers Association of Canada (IDA) in 2006, Jack was a Capital Markets Analyst at the IDA. He also worked as an Investment Representative/Sales & Research Associate with Merrill Lynch Canada/CIBC World Markets.

Jack has a Masters of Business Administration from the Schulich School of Business at York University and has achieved the CFA designation. He has also successfully completed multiple courses through the Canadian Securities Institute, including: CSC, CPH, DFC, OLC and the Professional Financial Planning Program.
