

Grow your business confidently with Fidelity Clearing Canada ULC

We are committed to the Canadian market with the vision to be the clearing broker of choice by 2012. Our goals are to provide:

- Quality cost effective carrying brokerage services that help our clients prosper
- Best client experience
- Fidelity strength, stability & capabilities
- 30 years experience as a carrying broker
- Global reach

Put our solutions to work for you

Fidelity Clearing Canada provides an open architecture platform that incorporates state-of-the-art, real-time systems to help you process your transactions with ease and accuracy. We are committed to delivering the service, sophisticated technology, and brokerage solutions to help you reach your firm's long-term goals with our broad offering:

Leveraging the Dataphile brokerage workstation, we strive to help you grow and manage your business. The workstation features:

- Multicurrency capabilities
- Streamlined workflow across the front and back office
- Real-time transaction processing and foreign exchange calculations
- Integrated business-building, risk management, and operational tools
- Unlimited history viewing of transactions and holdings
- Online query for reports and data extracts

Some new, exciting features scheduled to be launched in 2nd Quarter include:

- **Canadian Research:**

By leveraging Streetscape, our retail clients will have access to US research as well as analytics on several hundred Canadian names with research provided by Ford Research, Thomson Reuters, and Stifel Nicolaus.

483 Bay Street, Suite 200, Toronto, ONTARIO M5G 2N7, CANADA

Fidelity Clearing Canada ULC ("FCC") is an indirect, wholly owned subsidiary of FMR LLC ("FMR"). FMR and its subsidiaries collectively, including FCC and three other separate legal entities that are also Canadian securities registrants - Fidelity Investments Canada ULC, Pyramis Canada ULC and Pyramis Global Advisors LLC - conduct business under the "Fidelity Investments" name, which is a trademark of FMR and a registered business name of FCC.

National Financial provides correspondent clearing services through National Financial Services LLC in the U.S. and Fidelity Clearing Canada ULC in Canada.

- **Syndication:**

Provide our Introducing Brokers and their clients with access to new issue products from a wide range of Canadian Underwriters as well as exclusive access to US new issues that are eligible for distribution in Canada. FCC is also looking to provide Syndication processing services via an online new issue processing platform.

- **Position Watch:**

Maximize FCC's trading efficiency, compliance oversight, and operational effectiveness by leveraging Position Watch to consolidate trade surveillance feeds and compress equities trading tickets. Position Watch will allow FCC to have near real time surveillance of customer trade activity.

Service- FCC is proud of one of our key differentiators, offering a support team that focuses on only supporting your clearing business – we are the only clearing business in Canada using this model.

Conversion – With experience in over 100 conversions, we offer a comprehensive support program to ensure a seamless and automated conversion.

Talent – Our outstanding team of seasoned professionals offers tremendous experience and knowledge ensuring you have the best team providing solutions that meet your unique needs every step of the way.

**Grow your business confidently.
