

WEBINAR

The Deposit and Loan Balancing Act - Interest rate risk, liquidity, modelling and COVID-19

**WATCH LIVE:
TUESDAY, SEPT. 29
12:00–1:00PM EST**

This session brings together two experts to discuss their approach to treasury management in the Canadian banking industry, and further explores the challenges of managing the balance sheet through some unprecedented times, particularly the 2007-2008 credit crisis and now COVID-19.
