

# ARE YOUR PHONES...

*a little antiquated?*

Hudson can help you fully unify your organization's communications. That means seamless integration between Microsoft Teams and your phone system that will make working from home the experience you always thought it could be.

We're offering IIAC Members a **free** consultation to show you how Hudson can help transform your old-school phone system into a communication powerhouse. Contact us today at [hudsonhelps.ca](http://hudsonhelps.ca) (or 877-908-4040) and be sure to let us know you're an IIAC member!
