PETER HEPBURN

Managing Director, Head of Global Power and Infrastructure Financing–
Fixed Income // National Bank Financial Markets (NBF)

Over his career, Peter Hepburn has established a notable track record with respect to developing and closing structured and project finance business around the world. Peter is currently the Global Head of National Bank's Power and Infrastructure Financing Group. He is responsible for the management and oversight for NBF's infrastructure and project finance team, coordinator of NBF's global project finance initiatives and he plays an active role in transactions as Financial Advisor and Bond Underwriter. Peter joined NBF in 2009 and has led the establishment of NBF as a recognized infrastructure finance market leader:

- NBF ranked as the #1 financial advisor to sponsors in North America in terms of number of transactions for PPP infrastructure projects in 2020
- NBF ranked as the #1 advisor in Canada for greenfield infrastructure projects since 2019 and is perennially one of the leading advisors in the sector
- NBF has a well-established, market leading track record of success and breadth of experience

Peter was head of CIT's Energy & Infrastructure group from 2001 to 2009 and was responsible for originating project finance opportunities in North America with a particular emphasis on energy and infrastructure projects. Peter's team advised on and/or arranged over CDN\$4.8 billion for such projects.

Prior to joining CIT in 2001, Peter was an executive with Export Development Canada, where he played several leadership roles, including the establishment of a robust structured and infrastructure finance business group (debt, advisory, insurance, etc). In this capacity, Peter provided transaction leadership and management oversight leading to the establishment of a team of 20 professionals and the execution of over 70 project financing commitments exceeding US\$4 billion.
