2019 FinTech Summit

May 31, Toronto
Region Board of Trade, First Canadian Place, 77 Adelaide Street West

Join us in Toronto as the IIAC hosts the 2019 IIAC FinTech Summit: *Merging the Worlds of Finance and Technology*. FinTech innovations are revolutionizing the financial services industry, driving new business models, applications, processes and products. At the same time, FinTech technologies raise novel regulatory, technical and legal issues for firms and their customers. Attendees will hear from FinTech leaders who will share their insights on how Member firms can harness FinTech to trim costs, streamline operations and offer better value propositions to their clients. They will also gain valuable insights from legal, regulatory and technical experts on how to navigate this new terrain. We are expecting a hybrid of financial services professionals, government officials, regulators, and legal and technology experts with an interest in, or focus on FinTech and its impact on the financial industry.

This year's topics to include:

- Blockchain/ Distributed Ledger Technology (DLT)
- Cryptocurrencies
- Artificial Intelligence
- Communication and work flow technology
- Technology for anti-money laundering

... And, back by popular demand, the Rocket Pitches ...

Early Bird Discount applicable to those who register prior to May 1, 2019.
