WEBINAR: New PIPEDA Cybersecurity Reporting Rules – Setting Your Firm Up for Compliance

December 4

The IIAC is a Silver Sponsor of the 2018 Assistants Conference focused on Assistants in the wealth management industry. Assistants will learn how to add value to advisors and clients and focus on change management and the shifting reality of the financial services world. In addition to providing networking opportunities with peers from the industry, the conference will also allow assistants to receive IIROC accreditation. The conference will welcome as its keynote speaker, Kim Thúy, author of the best-seller *Ru*. In its third year, the Conference will be held at the Pan Pacific Vancouver on November 27, the Toronto Board of Trade on December 5 and at the Westin Montreal on December 7.

According to Statistics Canada, [more than one in five Canadian businesses](#) experienced a cybersecurity incident last year – however, most went unreported. With recent changes to PIPEDA, effective November 1st, are you aware of your obligations? This privacy legislation webinar, presented by Miller Thomson LLP and FleishmanHillard HighRoad, will tackle governance and reputation management in the context of a cybersecurity incident.

Members are invited to share questions in advance or in real time. We look forward to your attendance.

To register, send an email to rsvp@iiac.ca and in the subject line include: REGISTER ME: Cybersecurity Webinar – Dec 4 2018
